We Support Small Business

Small Businesses play key roles in the Baltimore District
- Military and Civil Construction
- Planting Oyster Bars
- Construction of Flood Risk Reduction Projects
- Environmental Restoration Projects

The mission and vision of the Small Business Office is to strive to be stewards of the taxpayers dollars by balancing mission accomplishments and the Government’s responsibility of socio-economic development by maximizing opportunities for small businesses.

Baltimore District looks to benefit from expertise and talents from all businesses.

US Army Corps of Engineers

Business With Us

The Baltimore District partners with private industry, including large, medium and small firms to accomplish a diverse mission around the world. Our contracting office supports civil works, military and environmental projects.

The Army Corps of Engineers fully supports the government policy of placing a fair proportion of the Corps contracts for supplies, design engineering, construction and support services with qualified Small, Small Disadvantaged, Women-Owned, HUBZone, Service Disabled Veteran-Owned and Veteran-Owned business. In addition, such concerns are to be afforded the maximum practicable opportunity to participate as subcontractors in qualifying contracts awarded to large businesses.
